THE INVESTMENT LOAN ASSOCIATION

Of Belleville, Ill. Capital Stock, $1,000,000. Incorporated under the Building and Loan Law of the State of Illinois, and under the supervision of the State Auditor.

THIS Association has just stood the crucial test of an examination by the State Auditor, and also by a Committee comprising some of the best business men of Belleville. Their report is an excellent one, and says, in substance, that the Association is one of the best—safe, sound and solvent—and recommends its stock as a **SAFE** and **PROFITABLE** investment to all.

WEALTH is obtained by labor, it is preserved by savings and increased by judicious investment. The first dollar laid by is an upward step in the world, and may be the germ of future happiness and independence. Begin **NOW** by taking stock in the **INVESTMENT LOAN ASSOCIATION.**

Descriptive circulars of our plan will be furnished by the Secretary or our Agents, and we respectfully request you to carefully investigate it, and you will agree with us that The Investment Loan Association's stock is strictly first-class, non-speculative, yet a highly remunerative investment.

Membership Fee.—Any person may become a member and hold any number of shares by paying a membership fee of one dollar per share.

Monthly Payments.—On Class A installment stock fifty cents per share monthly for 100 months. On Class B installment stock $1.00 per share monthly for 72 months.

Interest-Bearing Pre-paid Stock.—Dividend-bearing stock will be issued at $50.00 per share, paying semi-annual dividends *in cash* at the rate of 6 per cent. per annum, and in addition participates in the profits if left at maturity. This stock matures concurrently with Class A installment stock and may be withdrawn at any time after two years, upon giving 60 days' notice to the Board of Directors.

THE INVESTMENT LOAN ASSOCIATION CAN HELP YOU.

If you want to stop paying rent and become your own landlord **The Investment Loan Association** *can help you.*

If you want to invest your savings where they will double in eight and one-third years, **The Investment Loan Association** *can help you*

It you want to lay by a little each month in anticipation of sending your boy to college, or starting him in business, **The Investment Loan Association** *can help you.*

If you want your child to have a piano when she is nine years old **The Investment Loan Association** *can help you.*

If you want to provide an endowment for your children, **The Investment Loan Association** *can help you.*

If you want to retire from active labor in a few years and let your money support you, **The Investment Loan Association** *can help you.*

If you want to enjoy the independence which money alone can give, **The Investment Loan Association** *can help you.*

$5.00 deposited monthly in Class A installment stock will realize $1,000.00 in 100 months.

$10.00 deposited monthly in Class B installment stock will realize $1,000.00 in 72 months.

$500.00 deposited in Interest-bearing Pre-paid stock will bear six per cent. interest per annum, payable semi-annually *in cash* and in addition will realize $1,000.00 in 100 months.

WHEREAS, The large Protestant Churches of the United States and their adherents freely and cordially concede to, and are ready to vindicate in behalf of Roman Catholics their liberty of conscience and rights to worship God according to their conviction and training; and

WHEREAS, This conceded liberty has received the approbation of the head of the Roman Catholic Church, which

approval has been explicitly expressed by the Pope to his authorities and subordinates in the United States; and

WHEREAS, We are informed that Protestants and non-Catholics in the South American states of Peru, Bolivia, Ecuador and perhaps other states labor under grave disabilities, as to the expression of their religious faith, the exercise of their divine worship and the enjoyment of certain civil liberties, as, for instance, the inability to be married legally unless they renounce their non-Roman Catholic faiths; therefore,

Resolved, That we suggest to the head of the Roman Catholic Church that he so exert his influence and authority which are paramount in the countries named that Protestant residents therein may be enabled to enjoy the same rights which are enjoyed by Roman Catholics in the United States.

RESOLUTIONS IN BEHALF OF THE CHARTERED FUND.

Resolved, 1. That this Annual Conference recommends that the General Conference of 1896 shall adopt some plan for

the celebration of the Centennial of the Chartered Fund which shall so present its benevolent object to the Church that by concerted contribution a large addition may be made to its invested fund.

Resolved, 2. That we will heartily co-operate with the Corresponding Secretary in his work of presenting this cause to the Church. We will permit him to occupy our pulpits in this interest at such times as may be mutually satisfactory, and will further aid him by helping him to secure the assistance of the members of our Churches in carrying out the plans of the Board of Trustees for the increase of this fund.

We further recommend that M. N. Powers be appointed to correspond with the preachers relative to the Simpson Memorial Fund.

Rev. Dr. Washburne was introduced to the Conference.

FIFTH DAY.

MONDAY, Oct. 1, 1894.

A. H. Anthony, coming from the Missionary Baptist Church, was introduced. After answering the usual disciplinary questions, report of Committee on Conference Relations, and representation by Wm. Leatherman, his orders as Elder were recognized and he admitted on trial.

O. H. Clark asked a change of relation for J. A. Scarritt from effective to supernumerary. The request was granted.

J. W. Van Cleve, on motion of O. H. Clark, was elected publisher of the minutes.

The roll was called and additional subscriptions for minutes were taken.

The Conference authorized the publisher of the minutes to charge ten cents per copy for minutes not paid for in 30 days after delivery.

Dr. Hamilton spoke to the Conference in the interest of the Freedmen's Aid and Southern Education Society.

D. C. Ridgway presented a resolution of thanks to the people of McLeansboro for their hospitality, ordering copies of the minutes to be distributed among them. The resolution was adopted.

G. W. Shepherd presented a resolution calling for the observance of Oct. 26th as a day of fasting or abstinence and prayer for the conversion of 10,000 souls in this Conference this year.

On motion of C. W. Sabine, Theo. Cates was excused from further study in class of first year.

MEMOIRS.

Rev. Robert Allyn, D.D., L.L. D.

Robert Allyn was born in Ledyard, Connecticut, Jan. 25, 1817, and died in Carbondale, Illinois, Jan. 7, 1894. He was twice married, first to Emeline H. Denison, who bore him two children, and died in 1844. His second marriage was to Miss Mary B. Budington, of Leyden, Mass., who bore him four children and died in 1879. He graduated from Wesleyan University, at Middletown, Conn., and, with the exception of not more than four years in the pastorate, exclusively devoted his life to teaching. He first taught mathematics in Wilbraham Academy, and was in 1846 made principal of that institution. He next served as principal of the Providence Conference Seminary. In 1854 he was appointed Commissioner of Public Schools of Rhode Island. In 1857 he was elected to the Chair of Ancient Languages in the Ohio University, at Athens, Ohio. In 1859 he accepted the presidency of the Wesleyan Female College, at Cincinnati. In 1863 he was elected president of McKendree College, at Lebanon, Ill. In 1874 he became Regent of the Southern Illinois Normal University, where, after nearly a half century of service in the department of education, he finished his work and where his dust reposes.

Dr. Allyn was of Congregational parentage, but was converted at a Methodist camp-meeting in his native State while yet in his teens. He felt at once his call to the ministry, and without delay set about working his way through college. He joined the New England Conference in 1842, and during his subsequent career was a member of the Providence, Ohio, Cincinnati and Southern Illinois Conferences. He was licensed to preach by the Quarterly Conference of North Wilbraham, Mass., Aug. 18, 1841, was ordained at Newport, R. I., July 7, 1844, by Bishop James, and ordained Elder at Norwich Falls, Conn., April 12, 1846, by Bishop Waugh. By pen and voice and personal example, Robert Allyn was a stalwart in defense of the right and condemnation of the wrong. Many hundreds of graduates have received diplomas bearing his signature, not a few of whom have achieved distinction. Bishop W. F. Mallalieu, who now presides in this Conference, Dr. Charles H. Payne, and Dr. Wm. F. Warren were his students. He represented this Conference in the General Conference in 1872. For years he was Secretary of this Conference, and no man did so much to systematize its business as he. He excelled in talent for organition and in executive force. The movement to celebrate the Centennial of Methodism in this State received much of its inspiration and plan from him, and he was chief among the organizers of the Southern Illinois Teachers' Association.

Of the six children given to him, three remain, one of whom, Mrs E. A. Hypes, is the efficient Secretary of the Woman's Foreign Missionary Society of this Conference. At his funeral Jan. 9, 1894, in Carbondale, Ill., students, professors, citizens, ministers and even the humblest servants vied with each other in doing honor to his memory, for he was the friend of them all.

As a thinker he was profound, as a preacher he was always scholarly, and often rare unction and power attended his efforts. Verily a strong man, a father in Israel has fallen amongst us. We expect to meet him where every song is victory, and where no shadow falls.

Rev. Joseph Earp.

Joseph Earp was born at Melbourne, England, Jan. 27, 1820. Of his childish history but few scraps are preserved. His parents were religious, being members of the Wesleyan Methodist Church, and he was converted at home at the age of twelve. When nineteen, he came to the United States, and after a brief stay at Shawneetown, took up his residence at Marion, Ill.

He married Miss Margaret E. Walls, Dec. 5, 1841, who, after a companionship of thirty-four years, was called from labor to reward. For several years Bro. Earp sustained the relation of local preacher to the Church. In 1854 he entered the Southern Illinois Conference in which he served eleven pastoral charges and two districts. He served two pastoral terms each at Brighton, Jerseyville and Mt. Carmel, and three each at Vandalia and Lebanon. He stood high in the Conference, as a man of judgment and piety, being called on various occasions to the temporary occupancy of the chair. He was a member of the General Conference of 1876.

As a pastor he was diligent in his work. He not only called upon the sick, but if necessary, he stayed with them. In the sick room he dispensed the Balm of Gilead to the sufferer while working to relieve his condition.

On September 27, 1876, he was united in marriage with Miss Hester C. Boswell, of Shipman, Ill., with whom in loving companionship, he passed the remainder of life's journey.

On Jan. 8, 1893, while in charge at Jerseyville, through exposure while attending a funeral in unfavorable weather he became subject to great suffering from valvular insufficiency of the heart At the last annual session of the Conference he was given the superannuated relation. He moved to Lebanon and passed the winter. While deploring his enforced activity, and longing to be engaged in his chosen work, he was patient and submissive. Toward the last he was apprehensive of a fatal termination of his disease, but expressed his readiness for the change. The end came sooner than expected. On Thursday morning, March 8, after a night of comparative rest, he showed

signs of sudden failure, and almost before his attendants were aware of his condition, he quietly breathed his last.

Resolutions of regret and sympathy were forwarded to the family from different communities and associations with which Bro. Earp had been connected. He rests from his labors, and his works do follow him.

Joseph L. Hawk

Joseph L. Hawk was born Sept. 5, in Champaign County, Ohio, and died in Jonesboro, Ill., Jan. 10, 1894. He married Miss Jane E. Kerns, of Hampshire County, W. Va., Aug. 14, 1862. To them were born seven children, of whom five are living. Bro. Hawk was converted in 1855, licensed to exhort in 1860, and to preach in 1872. He did faithful work as a local preacher, until 1878, when he was admitted on trial in the Kentucky Conference. He was ordained Deacon in 1880 by Bishop E. O. Haven, and Elder in 1887, by Bishop Andrews. He spent in the Kentucky Conference, ten years, marked by much hardship and insufficient support, but brightened by spiritual prosperity and many conversions. In 1888 he was transferred to the Southern Illinois Conference, since which time he has served Spring Garden, Benton, Vergennes and Jonesboro charges. Modest and retiring in disposition, tender and timid as a child, he was nevertheless a vigorous and manly character, and a clear and forcible preacher. While engaged in a successful revival in November, 1893, he was seized with la grippe, and forced to retire from his meeting to his death-bed. Among his last utterances were references to his work.

Rev. Elmer E. Waggoner.

Rev. Elmer E. Waggoner was born at Godfrey, Ill., Nov. 24, 1862, and died at Staunton, Ill., Aug. 17, 1894. His childhood was spent in a quiet, rural home, his youth in school. In 1891 he graduated at McKendree College with the honors of his class of fifteen. Having early given his heart to God, his hand and life to the Church, he passed directly from the college to the ministry. In 1891 he was received on trial in the Southern Illinois Conference, was ordained Deacon by Bishop Foster in 1892, and in 1893 was received into full membership in the Conference. On March 22, 1892, he married Miss Belle Linhoff, whose consecrated nature and acquired abilities made her pre-eminently a help to the young itinerant. He was pastor one year each at Venice, Grafton and Staunton. He was diligent and devoted to his work, studious and methodical in his habits, genial and winning in his manner. He was greatly beloved by his people for whom he labored, and their testimonials of appreciation were manifested both before and after his death. He clung to life with tenacity, and planned for work almost to the end, but when made to realize that his work was done, was sweetly submissive and peacefully fell asleep in Jesus, saying: "All is well, blessed are they who die in the Lord."

Mrs. Angeline S. Thrapp.

Angeline S. Eidson, wife of Rev. James A. Thrapp, of the Southern Illinois Conference, died Nov. 4, 1893, at the home of her son-in-law, Judge J. H. Webb, in Vandalia, Ill. She was born July 22, 1833, in Preble county, Ohio, and at the age of 22 was converted and united with the Church In 1859 she married and entered upon the experiences of an itinerant preacher's wife. Two daughters were born to them, and by marriage she became the step-mother of two others, sustaining that relation to them with a tender care and devotion. A natural dignity tempered by the influences of religion and social culture gave her home the charms of sweetness and grace. With patient and cheerful acquiescence the pastoral appointments of thirty years were received, and with her wifely sympathy and help the success therein was made possible. Her last illness, extending through four years, was often very painful, but divine grace supported her amid all. Many expressions acknowledging the very present help of God are treasured as precious memoirs of their departing relative by those she left behind. The funeral services were conducted by her pastor and her sisters of the Woman's Christian Temperance Union. Those who knew her loved her. She did what she could, and her record closed in joy and victory.

Rachel Johnson.

Rachel Johnson, wife of John T. Johnson, deceased, was born in Clark county, Indiana, Dec. 25th, 1807, and died in Jefferson county, Illinois, Jan. 30th, 1894. She married Rev. John T. Johnson in Jennings county, Ind., Oct. 27, 1828, and shared with him the burdens and blessings of the life of an itinerant preacher. They came to the Illinois Conference in 1849 and served in that Conference until 1851. Four children were born into their home, of whom only one lived to years of maturity. Mother Johnson was converted and joined the Church at a very early age, and remained for about three quarters of a century an earnest and devoted Christian. She was never of vigorous constitution. She was a sufferer for years and it was wonderful how her life was prolonged, but she gained the port at last.

On Jan. 26th she suddenly sunk down, smitten by a weakness that showed the complete decay of the bodily powers, from which she never rallied. After she had become seemingly oblivious to all around, she tried to sing while her lips were feeling the chill of death. Peacefully and easily she passed away to join her loved ones that had gone on before to the land of eternal rest.

Mrs. S. Glaze.

Sallie Brown was born April 11, 1814. She was the youngest of ten children of Nicholas and Sarah Brown. She was the last of all to hear the summons: "Come up higher." Her death occurred Oct. 19,

1893. When she was four years old her parents removed to Licking county, Ohio, where she grew to womanhood, and married Rev. John Glaze. They came to Illinois in 1849. Soon afterward her husband united with the Southern Illinois Conference. In this field began the more active Christian life of Mrs. Glaze, who, notwithstanding the care of her family of ten children, entered with all her soul into the life that her husband's calling involved.

In 1863, Bro. Glaze was called to his reward. For thirty years of widowhood she waited and watched for the coming of the Lord, always guarding jealously the sacred trust her Father had placed in her charge —the care and training of her children. One of these is in heaven, while the others are Christians and members of the Methodist Episcopal Church; also many of her grandchildren, of whom she had fifty-one, and of her great grandchildren, thirty-three in number.

Sister Glaze was loyal to the Church of her choice, being a faithful attendant upon divine worship. Her death was triumphant. She said to her children who were standing about her: "I am trusting in Him on whom I have believed. I am perfectly resigned to His will."

Mrs. Mary Ann Waggoner.

Mrs. Mary Ann Waggoner, *nee* Clough, was born in Maine, May 15, 1817, and died in Upper Alton, Ill., May 6, 1894. She was converted in childhood and united with the Presbyterian Church. She came to Illinois in 1841, and was married to George W. Waggoner, Feb. 15, 1843. Soon thereafter she united with the Methodist Episcopal Church. In 1851 her husband became a traveling preacher, and the deceased began her experience as an itinerant's wife, in which capacity she was a model and an ornament for more than two score of years. She quit parsonage life and moved to her own home, only when failing health demanded it. When the time of her departure came, it found her with plans all made as one contemplating a pleasant journey. As she neared the sunlit land a departed daughter came into her vision and she said: "See! there is Annie waiting for me." She wrought, and suffered and ripened; and now she rests and sings.

Mrs. Disexia H. Bliss.

Died, in Effingham, Ill., Jan. 23, 1894, Disexia H. Knowles, beloved wife of Rev. A. Bliss, aged 84 years, 5 months and 17 days. The deceased was born in Northfield, N. H., Aug. 6, 1809, and was married to Alfred Bliss, March 4, 1834. She lived near Bradford, Vt., until 1838, when with her now bereaved husband, she moved to Montgomery County, Ill.

She lived there until 1854, when her husband joined the Southern Illinois Conference. During the twenty-eight years of his active and useful ministry, she shared the joys and burdens of an itinerant's life, sustaining and assisting him in every good word and work. For

years he never attended an appointment without her accompanying presence and active assistance. Her's was a deeply religious nature, her greatest desire being to do all in her power to advance the cause of Christ. At one session of the Southern Illinois Conference held at Mt. Vernon, she gave $1,000 to the General Missionary Society, a fact she never mentioned. She cared nothing for the plaudits of the world, but was content with the approval of her own conscience. This was but one of the many gifts it was her privilege and pleasure to bestow. She was the mother of eight children, four of whom preceded her to the other world. Her home was one in which all the Christian virtues were taught and was a haven of rest to the weary itinerant whom it was ever her delight to entertain.

While attending the Southern Illinois Conference, at Flora, Sept. 1893, she had a slight stroke of paralysis, which rendered her partially helpless during the remainder of her life. And although she experienced great suffering, she was cheerful and uncomplaining to the last. She often talked of her friends in Southern Illinois, and but a short time before her death spoke with joyful anticipations of the multitude of dear ones she would meet on the eternal shore. Death came as a friend to her, and she was ready. She retained her faculties to the last, and gave directions with regard to the last sad service. She went as if falling asleep.

She truly was a type of the woman of Prov. 31, which Dr. B. R. Pierce read at the services, conducted by him, at her home in Effingham, where she had passed the last years of her life. He spoke of her unobtrusive piety and unselfish life, and of the many noble qualities which had endeared her to all who knew her. She was laid to rest in the cemetery at Effingham, covered and surrounded by the beautiful flowers she had loved so well. Though she has passed away, her influence will go on in ever-widening circles.

REPORTS.

PASTORAL ADDRESS.

To the Members of the Methodist Episcopal Church in Southern Illinois Conference:

DEAR BROTHERS AND SISTERS:—As under Shepherds of the flock, and that our care for you may be manifested to you, we send this annual greeting. "Grace be to you, and peace from God, our Father, and from the Lord Jesus Christ." We call upon you to join with us in devout thanksgiving for the blessings and mercies of the past year. The good hand of our God has been upon us. In our ministry we have proved that "the Gospel is still the power of God unto salvation to every one that believeth."

Many souls have been "brought from darkness to light," and are rejoicing in this great salvation; but we dare not say that all have been saved, that might have been, had *we* and *you* been more earnest in trying to win souls for the Master. It is only through the power of the Holy Spirit, that sinners are brought to Christ. May the enduement of power rest upon us. The Christian home is the ideal home. God dwells there. There children are nurtured and trained up in "the way they should go." Religious training in the family cannot be over-estimated. The family should be consecrated to God. Parents as the high priests of the home should keep the fire constantly burning on the family altar. Be devout, and teach your children to take part in your devotions. Religious exercises in the home will prepare the children for the public worship in the house of God. Remember also that out of your homes are to come the workers in the vineyard of the Lord, and the citizens of the Republic. What shall their character be? That will depend largely on what you have done for them in the home.

Let us kindly emphasize the importance of your cultivating a spirit of benevolence in yourselves, and also of teaching your children, both by precept and example, that Christian virtue. Let us remind you that all the great benevolent enterprises of the Church are sorely in need of money. There has never been a time in the history of our Church when our needs were so great. Never has the Master called so earnestly for self-denial, and the consecration of means to benevolence as now. We trust you will respond in the true Mace-

donian spirit, remembering "the grace of our Lord Jesus Christ, that though he was rich, yet for your sakes he became poor, that ye through his poverty might be rich." An intelligent piety and an intelligent appreciation of the doctrines, polity and institutions of our own Church are greatly to be desired and earnestly coveted. To this end you will, with other citizens of the Commonwealth, give your moral and political influence in support of our public schools. You are likewise interested in higher education ; and as loyal Methodists you will patronize our own colleges and universities. McKendree College for more than sixty years has done a noble work for the young people of Southern Illinois. It is our own college and should have our patronage.

You have had a painful realization of the industrial disturbances of the country. Many of you, if not all, have suffered in person or property. A spirit of lawlessness and violence has been abroad in the land. Many remedies have been proposed to remove this unseemly conflict between labor and capital. But we are fully persuaded that nothing but the religion of Christ will remove the difficulty and adjust the difference between these two important things. Their interests are one. You are to sympathize with the toiler. Remember that Jesus was a carpenter. You will not under-value capital. Be patient, be just, be Christian.

The Sabbath question is one of supreme importance. If our American Sabbath is lost to us, one of the great pillars of our civilization will be gone. It is one of the public institutions of morals in the country. We beseech you to be firm and vigilant in maintaining the Sabbath. Make it a delight to yourselves and to your children. Make it the brightest day of the seven. Keep it for conscience sake. The country is still under the curse of the liquor traffic. What shall we say? No words of ours can adequately characterize this monster of iniquity. We would do well to heed the burning words of Bishop Foster's sermon before the Centennial Conference at Baltimore: "The Church of to-day, much more the Church of the future, must take to its heart, the duty of combining and massing its forces against that gigantic atrocity, diabolical conspiracy, that nameless 'monstrum horrendum' of Christian civilization, that mothers nine-tenths of the woes and sorrows which blight and curse our modern age—the traffic in intoxicants, which hides its deformity under forms of law. How long shall the face of our Christian age blister with this worse than pagan shame ? Has the virtue of our time degenerated so low that we do not even blush at the legislative traffic in the souls of our own children ? that by the very doors of our homes and our temples an army of miscreants should by authorization of laws made by Christian law givers, prosecute a work of murder and death ? Are we so reduced to the shame of admitting that a civilization that has grown about our altars, is impotent to cure the evil ?

"Let us go forward. Let us crush the monster. Suffer a word to

you as citizens of the Republic and Commonwealth. We do not wish to dictate as to your political affiliations. You are American citizens. You have the right of choice. Your duty requires you to participate in the affairs of government. But in the exercise of your political privileges, be sure that nothing derogatory to your Christian profession be done. Be good citizens. Be devout Christians.

"As ye have therefore received Christ Jesus the Lord, so walk ye in him; rooted and built up in him, established in the faith, as ye have been taught, abounding therein with thanksgiving. Amen."

JOHN LEEPER.

TEMPERANCE.

We, your Committee on Temperance, beg leave to submit the following report:

We regard the saloon as an excrescence on the body politic, the most formidable foe of the Church and home; a miserable parasite feeding on the very life blood of the Nation, enervating and weakening its moral power, and retarding the progress of all reform.

As an enemy it is becoming more and more aggressive and insidious in its endeavors to extend its territory and ply its nefarious traffic. Therefore be it

Resolved, 1. That we hail with delight every effort to embarrass and exterminate this evil.

2. That we will enter with renewed vigor upon the work of Temperance Education, and the creation of moral sentiment among our people against the evils of the liquor traffic, the social evil and other kindred vices. We also urge upon our people to abstain from the use of tobacco, and all other needless self-indulgence.

3. We believe with the great William E. Gladstone, "that there is but one question, and that is the Gospel of Jesus Christ; and that it can and will correct everything that needs correction, and will ultimately exterminate every evil thing in society. We believe that the only way to correct evil in outward conduct is by purifying the inner life."

4. That we sympathize with the Woman's Christian Temperance Union in their magnificent war on the rum power, and pledge them our support.

Resolved, That we will not support in National, State or Municipal elections any party or person who is not thoroughly and unequivocally committed to the principle and practice of prohibition.

EDUCATION.

Your Committee on Education beg leave to offer the following report :

As a Conference body, a constituent of the great Methodist Episcopal Church, we take pride in its relation to education in general and to the question of an educated ministry.

We gratefully remember that our Church was born in one of the first Universities of the world, and that in all her history she has insisted upon the culture and instruction of the people, not only in spiritual but in secular knowledge, and she stands to-day in the forefront of the great agencies of the land in fostering and defending our common school system against all its foes, and is year by year raising the standard of excellence in her own denominational institutions.

We would commend to all candidates for admission into our Conference the acquisition of a thorough education, classical as well as theological.

We deprecate the loss to our own Conference of those young men, who having entered upon the work of the ministry among us, and going to educational institutions beyond our territorial bounds for the completion of their education, are led to renounce their allegiance to their mother Conference, and take work in other and distant fields.

We hail with joy the movement already inaugurated for the establishment of a great central University in Washington, both as a monument to our denominational spirit, and as a further bulwark against the influence of wily foes of our National school system.

We wish in this connection to call attention to and emphasize Sections 3 and 4 of Paragraph 332 of the Discipline, viz: Conferences shall not approve the multiplication of Colleges or Universities beyond the needs of the people. Whenever the conditions are favorable, each Conference may have under its direct supervision one or more secondary schools, known as Academies, Seminaries or Collegiate Institutes.

While we deprecate the multiplication of infant universities and poorly equipped and inchoate colleges, we heartily commend to the favorable notice, and to the interest and patronage of Methodist parents and youth, the already established institutions of our Conference and connection.

Among these McKendree College, located at Lebanon, stands first and nearest to us, from its location and its long and intimate association with this body. We rejoice in its continued success and in the new life and vigor infused into the College and its interests by the election of M. H. Chamberlin, A. M., L.L. B., to the presidency. We append the report of the Executive Committee. (See Report.)

The following named institutions have forwarded communications to your Committee: The Iliff School of Theology, a department of

the Denver University, is one of our great educational institutions that is an honor to our Methodism, and the training of our ministers may be safely entrusted to its charge.

Drew Theological Institute, at Madison, N. J., sends its Annual Report, calling our attention to its claims and advantages, which are of the first-class.

Our Conference is invited to send a committee to represent us at the Commencement Exercises in May.

We are glad to learn concerning Hayward Collegiate Institute, that though the depressed financial condition of the country has affected her similarly to all her sister institutions, yet the work of the year in quality and character has given most encouraging results. The outlook of the school we are assured is bright and hope inspiring.

De Pauw University, at Greencastle, Ind., in addition to its other departments, invites special attention to its School of Theology. The Institution is one of high standing, and presents many facilities for students in all branches of culture. This Conference is invited to send a visitor to attend upon the examinations at the end of the academic year.

The Boston School of Theology has been declared by our General Conference to be one of the institutions which exist for the benefit of the whole Church, and it ranks among the foremost of the land.

Garrett Biblical Institute, situated within the bounds of our own State, bears also a high reputation for excellence of work, and its age, richness of endowment, and the large number of successful graduates and of students awakens our admiration,and will surely command the attention of our young men.

These, our own Methodist Institutions of learning, deserve the consideration of our people and have the hearty indorsement of this Conference. We recommend that visitors representing this Conference be appointed to these schools. (See list of visitors.)

Respectfully submitted,

REPORT OF EXECUTIVE COMMITTEE OF MCKENDREE COLLEGE.

Dear Brethren:—The Executive Committee is gratified to be able to report that McKendree College has just opened its fall term for the collegiate year of 1894-5 under the most flattering auspices. Despite the severe financial stricture of the past season, the number of

students as compared with the same period last year, shows a decided increase. Delayed enrollments will yet add to the list, as has always been true of opening terms in antecedent years.

Of new students the faculty report a marked increase, and the proportion of those who have entered for full courses of study, is flattering, and is a most gratifying feature. The prompt and orderly manner in which all the students have taken up their work has elicited comment from the Board of Instruction, and betokens a year of unusual promise in the way of scholastic attainments.

The buildings are in good state of repair, and are kept under insurance. The mortgage indebtedness of the college remains as reported at your last annual session.

On the declination of Rev. T. A. Parker, A.M., M D., to enter upon the office of President, to which he was elected by the Board of Trustees at its annual session in June, M. H. Chamberlin, A.M , L.L.B., of St. Louis, was elected by the Executive Committee to fill the vacancy. The election of Mr. Chamberlin was subsequently unanimously ratified by a called session of the Board, held July 18th. President Chamberlin entered upon the duties of his office in the latter part of July, and after conference with the Executive Committee—especially with reference to the fiscal affairs of the college—it was agreed that his entire attention, for the current year, should be given to financiering the institution, holding in view as the ultimate object to be attained the increase of the present endowment fund till it should reach a figure, the revenue from which, together with the tuition fees, would maintain the present faculty with salaries of adequate compensation, as also to provide for such increase in the Board of Instruction as the growing demands of the college might require. To reach this result the Committee considered that the first step to be taken should be to liquidate the entire indebtedness of the college.

The Committee is quite sure it will prove pleasant intelligence to the Conference that it is purposed to pay off this indebtedness by local or home subscriptions, thereby relieving the preachers of the various charges from the necessity of asking their congregations to contribute for accomplishing that object. It pleases the Committee to be able to state that the assurances of local co-operation already offered convinces them they will be able to furnish the friends of the institution, at an early date, the gratifying information that the last vestige of debt has been swept away from McKendree. When that is accomplished, McKendree's friends, in and out of the Conference, will be approached for aid in the augmentation of its endowment fund, and, with the co-operation of the Conference, in lending its cordial aid to President Chamberlin, the members of the committee speak with confidence in expressing themselves, that the response to solicitations for an increase of that fund, will be prompt and liberal.

President Chamberlin, since his induction to office, has labored assiduously He has corresponded extensively with the old students,

and other friends of the institution, outlining the financial plans briefly stated above, and has laid before the committee answers to his letters which give assurance of cordial co-operation and substantial aid toward the endowment when the college is disenthralled from debt.

The prospects of your Conference institution were never more encouraging than now, and with the blessing of God, the promise is good that this oldest of western educational institutions —the subject of many prayers and sacrifices of great and good men of the Church —will soon have the financial support which its great moral prestige, achieved in its 60 years of history, so thoroughly merits.

By order of the Committee,

E. L. WAGGONER,
Secretary Executive Committee.

LEBANON, ILLS., Sept. 25th, 1894.

REPORT OF COMMITTEE ON EPWORTH LEAGUE.

Recognizing the Epworth League as an important factor in the work of our Church, and an efficient agency in evangelistic work, we commend it to the attention of every pastor and urge a more thorough organization of our young people.

We recommend that each League observe Thanksgiving day in accordance with the appeal of the missionary secretaries as a day of special prayer and offering for missions.

We recommend that an Annual Conference Convention be held at some convenient point in the Conference about the first week in April.

Realizing the importance in properly training the children of our Church we recommend that a Junior League be organized in every church where one does not already exist, and where the conditions are favorable we heartily endorse the intermediate League.

We recommend the organization of a Conference Epworth League and the election of the following officers, who shall arrange for a Conference anniversary on Wednesday evening, if convenient, of each Conference session:

President, F. L. West; 1st Vice-President, J. G. Harmon; 2d Vice-President, J. W. Jackson; 3rd Vice-President, B A. Hoar; 4th Vice-President, B. S. Smith; Secretary, J. H. Jones; Treasurer, G. W. Shepherd.

J. H. JONES. Chairman.

S. P. YOUNG, Secretary.

FREEDMEN'S AID AND SOUTHERN EDUCATION.

Your committee would respectfully report that we have received and considered documents placed in our hands, and are impressed that a telling work, which cannot be told by mere figures, is being done in the great south land among the whites and blacks.

The last report of the statistics of the south show that the population has increased beyond the adequate facilities for education, notwithstanding the presence of the "Freedmen's Aid and Southern Educational Society," in the south.

Surely this would be no time to withdraw, call home the workers, and abandon the property which we have acquired.

Resolved, Therefore, that we earnestly strive to raise the $1,740 apportioned to this Conference for the year now dawning, and that we seek to put that great exponent of education, *The Christian Educator*, at 50c a year, into the homes of our people.

Resolved, Further, in view of the fact that the south is comparatively free from "Catholicism," we deem it a duty to stand by this society which has educated more than 100,000 since the war, which is making a Protestant civilization to become the nation's bulwark against the encroachments of Catholicism and rum in this land.

If it be true that this people shall prove the nation's salvation, as it is prophesied, it is well we give it a more liberal support, as it may in the future be called into the field to liberate the north from the forces now seeking to enslave it.

S. A. McINTOSH, Secretary.

J. G. HARMON, Charman.

CHURCH EXTENSION.

Realizing the importance of the evangelization of our own country in order to evangelize the world, and that in this great work we must have churches in all our communities, and these cannot be built in many of the poorer communities without outside help, and as the Board of Church Extension is intended to help in this work;

Resolved, That we, as pastors, lay these facts faithfully before our people and urge them to meet the entire apportionment, explaining to them that we are entitled to three-fifths of all we raise in our Conference to be used in our own territory.

JOHN F. HARMON, Chairman.

J. C. KINISON, Secretary.

REPORT OF COMMITTEE ON PERIODICALS.

In view of the wide field occupied by religious journalism, and the important character and usefulness of our denominational literature, we earnestly commend all of our periodicals to the careful attention of both pastors and people.

In literary tone, mechanical execution and cheapness they are un-

excelled, while in adaptation they meet the needs of all classes of our membership. The Scholarly Review, the vigorous Christian Advocate, the able and unique Gospel in all Lands, our beloved Central Christian Advocate, and the vivacious Epworth Herald, form a galaxy, of which every Methodist may well be proud.

We urge our pastors to organize and push a canvass that will reach every home with at least one of these papers.

J. W. McINTOSH, Pres.

L. E. COLE, Secretary.

CLASS MEETINGS.

WHEREAS, There is evidently a decline in the attendance and interest of our Class meetings within the bounds of our Conference; and,

WHEREAS, There is no means of grace more vital to the Church or more necessary to the Christian life. Therefore, we recommend that a more earnest effort be made to maintain and increase the interest in this means of grace.

J. A. LEATHERMAN, Secretary.

J. D. HENNESSEY, Chairman.

COMMITTEE ON DISTRICT CONFERENCE JOURNALS.

Your Committee on District Conference Journals, beg leave to report:

We have examined the records of the District Conferences of Alton, Lebanon, Mt. Vernon, Mt. Carmel and Vandalia Districts. We find them to be sufficiently full and explicit, neat in penmanship, orderly in arrangement, and we believe correct.

Respectfully submitted,

J. A. ROBINSON, Com.

WOMAN'S FOREIGN MISSIONARY SOCIETY.

We recognize in the Woman's Foreign Missionary Society an important and necessary factor in the evangelization of the world. We are deeply interested in their work and rejoice in the success that has attended their labors in foreign fields.

We request all the Pastors to give this important work their sympathy and support.

J. H. FORD, Sec'y.

AMERICAN BIBLE SOCIETY.

We recognize the fact that the American Bible Society has done a great work in the distribution of the Word of God, and we heartily commend its object, the publication of the Bible in all languages, and its diffusion among all people.

Let us, as pastors, present the claims of the society to our people and ask for more liberal contributions.

D. J. LITTLE, Chairman.

SUNDAY-SCHOOLS.

WHEREAS, We recognize in the children the basal element of the future church, and,

WHEREAS, We consider the Sunday-school a potent factor in the religious education of the young. Therefore,

Resolved, 1st, That we will endeavor to select for officers and teachers the best men and women, those who are earnest in spiritual experiences, intelligent in mind, and godly in life.

Resolved, 2d, That we will commend to the attention of our people the proper relation of our schools to the S. S. Union of the Methodist Episcopal Church.

J. T. MURKEN, Chairman.

MORAL AND RELIGIOUS CONDITION OF THE ARMY AND NAVY.

Your committee to whom were referred papers relative to the work of the United States Christian Commission, beg leave to report as follows:

Resolved, That we heartily endorse the memorial addressed by the said commission to the Secretary of War in January, 1893, relative to the moral and religious welfare of soldiers and sailors of the United States army and navy.

We believe that the efficiency of our army will be greatly dependent upon the *character* of its soldiers. Hence we believe gambling, official Sabbath desecration and the post canteen should be abolished.

We believe that greater liberty should be given our army chaplains in prosecuting their work, and in resisting the evils which impede their efforts for the spiritual welfare of the men to whom they minister.

We desire, especially, to register our unsparing condemnation of the post-canteen system by which the government becomes a principal

agent in the corruption of its own defenders, and we hereby record our determination to oppose by every possible means, those who, by their co-operation or silence, aid in its perpetuation.

We urge upon the chaplains the necessity of entire consecration to God, and that deeper spirituality be sought and maintained.

Resolved, That we will assist the commission all we can in its work, and that a copy of these resolutions be sent to the secretary of the same.

Respectfully submitted,

C. W. SABINE.

TRACTS.

WHEREAS, The Tract Society is of very great importance in distributing religious literature; and,

WHEREAS, It does not receive the support which its importance demands; therefore,

Resolved, That we, as ministers, will urge upon our people a more liberal support, and that we will present the cause to our people at every appointment.

A. J. DEWHIRST, Secretary.

NEW YORK LIFE INSURANCE CO.

ASSETS, $150,000,000
SURPLUS, OVER $17,000,000
ANNUAL INCOME, $34,000,000

IN 1893 ISSUED 85,604 POLICIES.

THE GREATEST RECORD EVER MADE
BY ANY COMPANY IN ONE YEAR.

THE NEW YORK LIFE issues all forms of policies, free from all conditions, except that the premiums be kept paid. Gives 30 days grace in payment of premiums, and keeps policy in force during the time.

Makes loans to policy holders after 5, 10 and 15 years, at 5 per cent annual interest.

After three or more annual premiums have been paid, if the policy lapses, a paid up policy will be issued, or the full amount of the insurance extended for a given number of years without further payments.

In case of death during the Accumulation Period of 10, 15 or 20 years, pays in addition to the face of the policy, all that has been paid to the Company.

The Accumulation Policy of the New York Life is the most popular Policy in the world.

It is wonderful how completely Piso's Cure for Consumption does its work. Some of my patients declare that I am a fanatic on Piso's Cure. Crank or not, it surely does its work. There is a much larger demand for it than ever before.

I receive the Almanacs from time to time. Thanking you for the same, and wishing you success, I am

SAY, LOOK HERE! READ THIS!

If you want to buy a

GRANITE or MARBLE MONUMENT,

You should realize the benefit of buying direct of the manufacturers. An order placed with an agent or middleman will bring you the poorest work and cheapest stock, otherwise he cannot compete with the manufacturer in price.

If you wish designs to select from, write me, I'll send them to you, and by this means you can trade direct and save to yourself an agents' profit.

Will you accept the proposition? I'll get you anything you want in the monument line.
